Data processing by the controller

Presentation and purpose of data processing:

University Day is all about togetherness and fun. This year we can welcome the new school year together again in the framework of a gigantic opening event hosted by Nagyerdei Stadium. In 2023, the organizers of the event will place the emphasis of the program on the family, asking for the help of the participating student for its implementation. Students who would like their own family members to appear at the flag parade can send a family photo on the <https://youday.hu/> interface. In connection with the management of image recordings, the University performs the following data management activities.

Scope of processed data: name of student, image of persons in family photo submitted by him

Legal basis for data processing: Article 6 (1) (a) of the GDPR: the data subject has given consent to the processing of his or her personal data for one or more specific purposes; Article 9(2)(a) GDPR: the data subject has given his or her explicit consent to the processing of such personal data for one or more specific purposes.

Duration of data processing: the data will be processed by the University of Debrecen until the end of the implementation of the event.

Persons with access: The data may be accessed by the staff responsible for organizing, **coordinating and performing the task, who are bound by confidentiality and legal responsibility.**

Data transfer: Personal data will not be transferred outside your organization
